

In partner with

Arena Advertising with Friends of St. Paul Hockey...

We are a 501c3 non-profit organization that makes hockey more accessible, affordable, and attractive to every child in the East Metro by removing financial and social barriers.

We are fortunate to have a Partnership with Ramsey County Parks and Recreation that provides our organization Exclusive Marketing rights to sell and manage the advertising in all Ramsey County Ice Arenas.

Each of the four independent youth hockey associations within St. Paul benefit from our organization (Edgecumbe, Langford Park, Johnson/Como/North St. Paul, and the St. Paul Capitals in Highland). In 2018 we expanded to include contributions to the Irondale/Mounds View, Roseville, White Bear Lake, and Woodbury associations through our partnership with Ramsey County Parks & Recreation.

1.2 million people spend 17,000 hours staring at blank walls.
